Children are welcome.

Welcome New Members!

Commodore's Comments

February was a fantastic month. We closed the property next door. Valentines Day Dinner was sold out and the annual Super Bowl Party with Chili and Gumbo Cookoff was a huge success. Congratulations to Steve Durham on his winning entry. I personally really enjoyed watching the big game in the “new” dining room. The last freeze did a number on our water service on the pier bust Rick and the staff will have it repaired in no time. Other repairs on Pier and T Pier are ongoing and should be completed soon. With the warmer weather the club has been a buzz lately with people getting boats and lifts ready for another boating season on the lake. It won't be long before we sit by the pool enjoying drinks and sunsets.

James Coe – Commodore

Manager's Message

It appears that an early Spring may be upon us. The weather has been amazing lately! Almost time to get the boats out and enjoy the lake again. The warmer weather has certainly been bringing out the members to the restaurant and we will be hiring additional staff soon to help with service.

We have a couple of events planned this month, starting with the always popular Bingo & Buffet night on the 21st. With our new bingo sheets, daubers, and a new bingo board, this event gets better and better. On the 29th, we will have our annual crawfish boil with live music. We encourage everyone who plans to attend to make reservations early so we have an idea of how much crawfish to prepare.

Chef Mona and Sous Chef Josh are working on our updated summer menu which should be ready to roll out by the first of April. I'm sure they won't disappoint!

We have begun to clean up the newly acquired property next door and make sufficient repairs to ensure safety. This will be a process that takes some time and we encourage members not to visit this area until notified that it is okay. The docks are not safe and entry is not allowed at this time.

Many thanks to everyone for supporting the Club!

Rick Hutson – General Manager
