NOTICE TO MEMBERS WITH SLIPS OR SEEKING SLIPS

The lease form for slips has been mailed to members currently holding slips. If you are a current slip holder and have not returned it, you should do so immediately. If you did not get one, contact the Club ASAP. It is the Board's intention for those currently holding a slip to keep that slip, if desired, but that will not happen if we do not get the requested paperwork. For members seeking slips, please note that the un-leased slips will be assigned on a FIRST COME, FIRST SERVE basis from the existing waiting list, unless you have made direct arrangements with a slip holder who has indicated they will not continue to lease their slip. If you desire one of un-leased slips, please make sure your name is on the waiting list. If your name is on the waiting list, you do not need to keep contacting the club. We ask that you be patient as these assignments will be forthcoming shortly.

Welcome New Members!

Commodore's Comments

August hosted a number of private events as well as Bingo and Mexican Buffet which was filled to capacity. The Club has mailed the lease for slips to those members currently holding slips. Any members having any concerns or questions should contact one of the Harbor Committee members, the Harbormaster, or me.

Jeff Little, Commodore

Manager's Message

We had another awesome member appreciation party last week. With the creative decorating by Melissa Lamberth, the music by Jimmy Wooten and the wonderful food by Chef Mona and her staff, this one ranks high on the list as one of the best. Thanks to all of the aforementioned for their dedication and expertise. Bingo night was also a great success last month and the last game won was worth over \$500! Congratulations to all of the winners.

We will have a taco night on the 20th. If you like tacos, this will be the place to be. Please join us for this night of food and fellowship. We are starting to fill up the available dates in December for Christmas parties. With only a few dates left I encourage anyone wishing to hold a December event at the club to book soon. There is no better place in town than SYC for an event!

Thanks to all slip tenants who have sent in their required slip leases. We have collected over half of those but still need all who have not done so to please send those back as soon as possible.

The club has hired a contractor to replace most of T-Pier beginning in early October. Please make a note that T-Pier will not be usable for an extended period of time during that construction.

Looking forward to cooler weather!

Rick Hutson, General Manager
